

# Annex A: Reporting Template

(For additional guidance on how to answer the Topics, organizations may refer to Annex B: Topic Guide)

## Contextual Information

Company Details	
Name of Organization	<b>MANILA BULLETIN PUBLISHING CORPORATION</b>
Location of Headquarters	Manila Bulletin Building, Muralla corner Recoletos Streets, Intramuros, Manila, Philippines
Location of Operations	Philippines
Report Boundary: Legal entities (e.g. subsidiaries) included in this report*	None
Business Model, including Primary Activities, Brands, Products, and Services	Publishing and advertising (i.e. newspapers and magazines print and online editions)
Reporting Period	2021
Highest Ranking Person responsible for this report	Compliance Officer, Executive Vice President

*\*If you are a holding company, you could have an option whether to report on the holding company only or include the subsidiaries. However, please consider the principle of materiality when defining your report boundary.*

## Materiality Process

Explain how you applied the materiality principle (or the materiality process) in identifying your material topics. <sup>1</sup>
<p>The Company identifies material topics for sustainability reporting based on the direct or indirect impact of its business operations and activities on its ability to create, preserve or erode economic, environmental and social values for its stakeholders and society.</p> <p>The Company uses materiality analysis to assess and estimate the impact of environmental, social and governance considerations on its business and stakeholders.</p>

<sup>1</sup> See [GRI 102-46](#) (2016) for more guidance.

# ECONOMIC

## Economic Performance

### Direct Economic Value Generated and Distributed

Disclosure	Amount	Units
Direct economic value generated (revenue)	787,765,201	PhP
Direct economic value distributed:		
a. Operating costs	185,900,365	PhP
b. Employee wages and benefits	36,576,967	PhP
c. Payments to suppliers, other operating costs	328,995,733	PhP
d. Dividends given to stockholders and interest payments to loan providers	56,215,699	PhP
e. Taxes given to government	21,398,581	PhP
f. Investments to community (e.g. donations, CSR)	227,599	PhP

What is the impact and where does it occur? What is the organization's involvement in the impact?	Which stakeholders are affected?	Management Approach
Economic performance directly impacts and occurs in the Company's primary business operations.  The Company is involved in the enhancement of its economic performance.	Employees, clients, suppliers, community and government	The Management endeavours to meet target returns on its principal business and annual budget projections.  The Company regularly monitors its business operations, cost of capital, and investments.
What are the Risk/s Identified?	Which stakeholders are affected?	Management Approach
Pandemic (e.g. COVID -19)  Adverse effects of weather conditions (e.g. flooding, disruption of regular operations)	Employees, clients, suppliers, community and government	The Management is pursuing the development and improvement of its multi-media platforms, particularly, its online initiatives and undertakings.
What are the Opportunity/ies Identified?	Which stakeholders are affected?	Management Approach
Improved online advertising and subscription services	Clients	The Management continues to expand its advertising and subscription services, specifically, its online media platforms.

## Climate-related risks and opportunities<sup>2</sup>

<b>Governance</b>	<b>Strategy</b>	<b>Risk Management</b>	<b>Metrics and Targets</b>
The Company recognizes the disruptive effects of climate change on the economy and society, and acknowledges the need for its contributions to the climate change initiative.	The Company endeavours to maintain a responsible role to lessen the adverse impact of its business operations on climate change.	The Company identifies and monitors the potential climate-related risks and opportunities in connection with its business operations. <b>Recommended Disclosures</b>			
a) The Board, thru its Risk Oversight Committee, identifies and monitors the impact of the Company's business operations on climate change.	a) The climate-related risks include: <ol style="list-style-type: none"> <li>1. Regulatory changes that affects the importation and supply of news print and other key materials;</li> <li>2. Physical risks such as disruptions in advertising and circulation services brought about by typhoons and flooding;</li> <li>3. Power interruption risks such as emergency and rotating blackouts.</li> </ol>	a) The Board's Risk Oversight Committee identifies climate-related risks and opportunities in connection with the Company's business operations.	b) The Company regularly monitors and assesses its climate-related risks and opportunities.
b) The Management, thru the Executive Committee (Execom), assesses	c) The Company recognizes the impact of climate-related risks and	b) The Management, thru the Executive Committee (Execom), assesses	b) The Company maximizes its operations by taking proactive steps to

<sup>2</sup> Adopted from the Recommendations of the Task Force on Climate-Related Financial Disclosures. The TCFD Recommendations apply to non-financial companies and financial-sector organizations, including banks, insurance companies, asset managers and asset owners.

and manages climate-related risks in its business operations.	opportunities on its business operations, strategy and financial planning.	and manages the identified climate-related risks and opportunities.	minimize the adverse impact of climate-related risks, while, exploring the potential of climate-related opportunities.
	c) The Company endeavours for the continuing resiliency of its policies and strategies in connection with the different climate-related scenarios.	c) The Board's Risk Oversight Committee identifies climate-related risks and opportunities in connection with the Company's business operations, while the Management's Executive Committee assesses and manages the identified climate-related risks and opportunities.	

Procurement Practices

Proportion of spending on local suppliers

Disclosure	Quantity	Units
Percentage of procurement budget used for significant locations of operations that is spent on local suppliers	33	%

What is the impact and where does it occur? What is the organization's involvement in the impact?	Which stakeholders are affected?	Management Approach
Procurement practices directly impact and occur in the Company's primary business operations.  The Company is involved in the improvement of its procurement	Suppliers and government	The Management is committed to the efficient procurement of supplies and services at the best possible value, from both domestic and foreign sources.

practices.		
<b>What are the Risk/s Identified?</b>	<b>Which stakeholders are affected?</b>	<b>Management Approach</b>
Disruption in the availability of supplies, materials and services due to climate-related occurrences (e.g. typhoons and flooding).	Suppliers and government	The Management endeavours to minimize the adverse effects of disruptions in the availability and procurement of supplies, materials and services due to climate-related occurrence by proactively addressing these potential disruptions.
<b>What are the Opportunity/ies Identified?</b>	<b>Which stakeholders are affected?</b>	<b>Management Approach</b>
Obtaining the best possible value for supplies, materials and services.	Suppliers and government	The Management contracts with reputable suppliers both domestic and abroad, while ensuring that quality supplies and services are procured at the best possible value.

## Anti-corruption

### Training on Anti-corruption Policies and Procedures

<b>Disclosure</b>	<b>Quantity</b>	<b>Units</b>
Percentage of employees to whom the organization's anti-corruption policies and procedures have been communicated to	100	%
Percentage of business partners to whom the organization's anti-corruption policies and procedures have been communicated to	100	%
Percentage of directors and management that have received anti-corruption training	100	%
Percentage of employees that have received anti-corruption training	100	%

<b>What is the impact and where does it occur? What is the organization's involvement in the impact?</b>	<b>Which stakeholders are affected?</b>	<b>Management Approach</b>
Anti-corruption policies and practices directly impact and occur	Employees, clients, suppliers and government	The Management adheres to its anti-bribery and corruption policy by

in the Company's primary business operations.  The Company is directly involved in the implementation of its anti-corruption policies and practices.		upholding the principles of honesty, integrity and transparency in the conduct of its business operations.
<b>What are the Risk/s Identified?</b>	<b>Which stakeholders are affected?</b>	<b>Management Approach</b>
Operational risks, which include political, regulatory and social risks.	Employees, clients, suppliers and government	The Management endeavours to identify and mitigate the probability and impact of any perceived or actual attempts of corruption and bribery.
<b>What are the Opportunity/ies Identified?</b>	<b>Which stakeholders are affected?</b>	<b>Management Approach</b>
Enhanced dealings and minimization of possible conflicts of interests.	Employees, clients, suppliers and government	The Management undertakes to improve its dealings with various stakeholders, thru the observance of its anti-corruption policies and procedures.

### Incidents of Corruption

<b>Disclosure</b>	<b>Quantity</b>	<b>Units</b>
Number of incidents in which directors were removed or disciplined for corruption	0	#
Number of incidents in which employees were dismissed or disciplined for corruption	0	#
Number of incidents when contracts with business partners were terminated due to incidents of corruption	0	#

<b>What is the impact and where does it occur? What is the organization's involvement in the impact?</b>	<b>Which stakeholders are affected?</b>	<b>Management Approach</b>
Incidents of corruption, when so attendant, directly impact the Company's business operations.  The Company has no confirmed incidents of bribery and corruption.	Employees, clients, suppliers, and government	The Management strictly enforces its anti-corruption policies and procedures, by imposing the appropriate disciplinary sanctions upon observance of due process.

What are the Risk/s Identified?	Which stakeholders are affected?	Management Approach
Possible complicity of certain employees in corruption and bribery incidents.	Employees, clients, and government	The Management ensures that is anti-corruption policies and procedures are duly communicated to and observed by its employees.
What are the Opportunity/ies Identified?	Which stakeholders are affected?	Management Approach
Observance of fair dealings in all transactions.	Employees, clients and government	The Management regularly monitors and assesses the transactions of the various departments by ensuring that these are free from incidents of corruption and bribery.

# ENVIRONMENT

## Resource Management

Energy consumption within the organization:

Disclosure	Quantity	Units
Energy consumption (renewable sources)	15,602	GJ
Energy consumption (gasoline)	2,752	GJ
Energy consumption (LPG)	0	GJ
Energy consumption (diesel)	17,107	GJ
Energy consumption (electricity)	4,048,550	kWh

### Reduction of energy consumption

Disclosure	Quantity	Units
Energy reduction (gasoline)	0	GJ
Energy reduction (LPG)	0	GJ
Energy reduction (diesel)	0	GJ
Energy reduction (electricity)	2,245,916	kWh

What is the impact and where does it occur? What is the organization's involvement in the impact?	Which stakeholders are affected?	Management Approach
Energy consumption directly impacts and occurs in the Company's primary business operations  The Company is directly involved in the optimization of its energy consumption.	Community, energy providers, fuel suppliers, and government	The Management has implemented conservation programs and initiatives with the aim of optimizing its electricity and fuel consumption.
What are the Risk/s Identified?	Which stakeholders are affected?	Management Approach
Non-optimization of electricity and fuel consumption that adversely impacts climate change.	Community, energy providers, fuel suppliers, and government	The Management regularly reviews and monitors the usage of electricity and fuel consumption in its business operations to ensure their optimal utilization.
What are the Opportunity/ies Identified?	Which stakeholders are affected?	Management Approach

Cost savings in electricity and fuel consumption	Community, energy providers, fuel suppliers, and government	The Management ensures that the appropriate cost savings initiatives are properly observed in the Company's electricity and fuel consumption.
--	---	---

Water consumption within the organization

Disclosure	Quantity	Units
Water withdrawal	21,600	Cubic meters
Water consumption	40,111	Cubic meters
Water recycled and reused	0	Cubic meters

What is the impact and where does it occur? What is the organization's involvement in the impact?	Which stakeholders are affected?	Management Approach
Water consumption directly impacts and occurs in the Company's primary business operations.  The Company is directly involved in the optimization of its water consumption.	Employees, community, water utility supplier, and government	The Management encourages and practices water conservation.
What are the Risk/s Identified?	Which stakeholders are affected?	Management Approach
Interruptions in water services	Employees, community, water utility supplier, and government.	The Management ensures the adequate availability of water during interruptions in water services.
What are the Opportunity/ies Identified?	Which stakeholders are affected?	Management Approach
Cost savings in water consumption	Employees, community, water utility supplier, and government.	The Management requires compliance with its water conservations policies and practices.

Materials used by the organization

Disclosure	Quantity	Units
Materials used by weight or volume		
• Renewable	3,600,000	kg/liters
• non-renewable	144,000	kg/liters

Percentage of recycled input materials used to manufacture the organization's primary products and services	5	%
---	---	---

<b>What is the impact and where does it occur? What is the organization's involvement in the impact?</b>	<b>Which stakeholders are affected?</b>	<b>Management Approach</b>
Materials consumption directly impacts and occurs in the Company's primary business operations.  The Company is directly involved in the optimization of its materials usage.s	Community, suppliers and government	The Management effectively administers its materials usage by ensuring the availability of key materials as the need arises, and by minimizing the extent of spoilages.
<b>What are the Risk/s Identified?</b>	<b>Which stakeholders are affected?</b>	<b>Management Approach</b>
Non-availability of imported materials due to regulatory restrictions.  Increased incidents of spoilage.	Community, suppliers and government	The Management regularly and efficiently monitors its inventory levels, thus ensuring that adequate materials are available when needed.  The Company minimize the incidents of spoilage in its business operations.
<b>What are the Opportunity/ies Identified?</b>	<b>Which stakeholders are affected?</b>	<b>Management Approach</b>
Cost savings in materials consumption.	Community, suppliers and government	The Management ensures that appropriate cost savings measures are properly observed in the Company's materials consumption.

Ecosystems and biodiversity (whether in upland/watershed or coastal/marine)

<b>Disclosure</b>	<b>Quantity</b>	<b>Units</b>
Operational sites owned, leased, managed in, or adjacent to, protected areas and areas of high biodiversity value outside protected areas	0	
Habitats protected or restored	0	ha
IUCN <sup>3</sup> Red List species and national conservation list species with habitats in areas affected by operations	0	

<sup>3</sup> International Union for Conservation of Nature

<b>What is the impact and where does it occur? What is the organization's involvement in the impact?</b>	<b>Which stakeholders are affected?</b>	<b>Management Approach</b>
Ecosystems and biodiversity have an indirect impact in the Company's business operations.  The Company acknowledges the need to protect ecosystems and to promote biodiversity.	Community and government	The Management complies with the applicable rules and regulation relative to the safe treatment and disposal of waste by-products.
<b>What are the Risk/s Identified?</b>	<b>Which stakeholders are affected?</b>	<b>Management Approach</b>
Release of pollutants to the environment	Community and government	The Management ensures that waste by-products from its business operations are properly treated and safely disposed in accordance with government regulations.
<b>What are the Opportunity/ies Identified?</b>	<b>Which stakeholders are affected?</b>	<b>Management Approach</b>
Improved environmental safety	Employees, community and government	The Management undertakes to protect the wellbeing of its employees and the community by ensuring that its safety protocols in the treatment and disposal of waste by-products are strictly observed.

## Environmental impact management

### Air Emissions

#### GHG

Disclosure	Quantity	Units
Direct (Scope 1) GHG Emissions	-	Tonnes CO <sub>2</sub> e
Energy indirect (Scope 2) GHG Emissions	-	Tonnes CO <sub>2</sub> e
Emissions of ozone-depleting substances (ODS)	0.04	Tonnes

<b>What is the impact and where does it occur? What is the organization's involvement in the impact?</b>	<b>Which stakeholders are affected?</b>	<b>Management Approach</b>
--	---	----------------------------

Air emissions have an indirect impact in the Company's primary business operations.  The Company acknowledges the need to control and regulate air emissions.	Community and government	The Management endeavours to minimize its carbon emissions brought about by its energy and fuel consumption.
<b>What are the Risk/s Identified?</b>	<b>Which stakeholders are affected?</b>	<b>Management Approach</b>
Increased carbon emissions	Community and government	The Management undertakes to optimize its usage of energy and fuel to reduce carbon emissions.
<b>What are the Opportunity/ies Identified?</b>	<b>Which stakeholders are affected?</b>	<b>Management Approach</b>
Cost savings in energy and fuel consumption	Community and government	The Management regularly monitors its energy and fuel consumption by ensuring that optimal utilization and cost-savings projections are realized.

Air pollutants

Disclosure	Quantity	Units
NO <sub>x</sub>	209,820 mg/Nm <sup>3</sup>	kg
SO <sub>x</sub>	-	kg
Persistent organic pollutants (POPs)	-	kg
Volatile organic compounds (VOCs)	-	kg
Hazardous air pollutants (HAPs)	-	kg
Particulate matter (PM)	-	kg

<b>What is the impact and where does it occur? What is the organization's involvement in the impact?</b>	<b>Which stakeholders are affected?</b>	<b>Management Approach</b>
Air pollutants have an indirect impact in the Company's primary business operations.  The Company acknowledges the need to minimize air pollutants in the environment.	Community and government	The Management advocates the reduction of air pollution in the environment.
<b>What are the Risk/s Identified?</b>	<b>Which stakeholders are affected?</b>	<b>Management Approach</b>

	<b>affected?</b>	
Air pollution	Community and government	The Management ensures that it is compliant with the prescribed regulatory standards on air pollution prevention.
<b>What are the Opportunity/ies Identified?</b>	<b>Which stakeholders are affected?</b>	<b>Management Approach</b>
Improved air quality	Community and government	The Management observes the requisite regulatory standards on air pollution prevention.

## Solid and Hazardous Wastes

### Solid Waste

<b>Disclosure</b>	<b>Quantity</b>	<b>Units</b>
Total solid waste generated	1,702,798	kg
Reusable	74,565	kg
Recyclable	1,628,233	kg
Composted	0	kg
Incinerated	0	kg
Residuals/Landfilled	0	kg

<b>What is the impact and where does it occur? What is the organization's involvement in the impact?</b>	<b>Which stakeholders are affected?</b>	<b>Management Approach</b>
Solid wastes have an indirect impact in the Company's primary business operations.  The Company acknowledges the need to minimize solid wastes in the environment.	Community and government	The Management advocates the proper treatment and disposal of solid wastes.
<b>What are the Risk/s Identified?</b>	<b>Which stakeholders are affected?</b>	<b>Management Approach</b>
Solid waste proliferation resulting in flooding	Community and government	The Management complies with the prescribed regulatory standards on the treatment and disposal of solid wastes.
<b>What are the Opportunity/ies</b>	<b>Which stakeholders are</b>	<b>Management Approach</b>

Identified?	affected?	
Improved community wellbeing	Community and government	The Management observes the requisite regulatory standards on the treatment and disposal of solid wastes.

*Hazardous Waste*

Disclosure	Quantity	Units
Total weight of hazardous waste generated	5,580	kg
Total weight of hazardous waste transported	4,464	kg

What is the impact and where does it occur? What is the organization's involvement in the impact?	Which stakeholders are affected?	Management Approach
Hazardous wastes have an indirect impact in the Company's primary business operations.  The Company acknowledges the need to properly treat and dispose hazardous wastes in the environment.	Community and government	The Management advocates the proper treatment and disposal of hazardous wastes.
What are the Risk/s Identified?	Which stakeholders are affected?	Management Approach
Release of hazardous wastes in the environment	Community and government	The Management complies with the prescribed regulatory standards on the treatment and disposal of hazardous wastes.
What are the Opportunity/ies Identified?	Which stakeholders are affected?	Management Approach
Improved community wellbeing	Community and government	The Management observes the requisite regulatory standards on the treatment and disposal of hazardous wastes.

Effluents

Disclosure	Quantity	Units
Total volume of water discharges	1,000	Cubic meters

Percent of wastewater recycled	0	%
--------------------------------	---	---

<b>What is the impact and where does it occur? What is the organization's involvement in the impact?</b>	<b>Which stakeholders are affected?</b>	<b>Management Approach</b>
Effluents have an indirect impact in the Company's primary business operations.  The Company acknowledges the need to minimize effluents in the environment.	Community and government	The Management advocates the proper treatment and disposal of liquid wastes and sewage.
<b>What are the Risk/s Identified?</b>	<b>Which stakeholders are affected?</b>	<b>Management Approach</b>
Adverse effects of liquid wastes and sewage to water supply and aquatic habitat	Community and government	The Management complies with the prescribed regulatory standards on the treatment and disposal of liquid wastes and sewage.
<b>What are the Opportunity/ies Identified?</b>	<b>Which stakeholders are affected?</b>	<b>Management Approach</b>
Improved water supply and aquatic habitat	Community and government	The Management observes the requisite regulatory standards on the treatment and disposal of liquid wastes and sewage.

## Environmental compliance

### Non-compliance with Environmental Laws and Regulations

Disclosure	Quantity	Units
Total amount of monetary fines for non-compliance with environmental laws and/or regulations	0	PhP
No. of non-monetary sanctions for non-compliance with environmental laws and/or regulations	0	#
No. of cases resolved through dispute resolution mechanism	0	#

<b>What is the impact and where does it occur? What is the organization's involvement in the impact?</b>	<b>Which stakeholders are affected?</b>	<b>Management Approach</b>
Environmental compliance has an indirect impact in the Company's	Community and government	The Management adheres to the protection and conservation of the

primary business operations.  The Company supports environmental compliance.		environment in all areas where it conducts business and operations.
<b>What are the Risk/s Identified?</b>	<b>Which stakeholders are affected?</b>	<b>Management Approach</b>
Governmental sanctions for non-compliance	Community and government	The Management conforms to the prescribed regulatory standards on environmental compliance.
<b>What are the Opportunity/ies Identified?</b>	<b>Which stakeholders are affected?</b>	<b>Management Approach</b>
Environment protection	Community and government	The Management observes the requisite regulatory standards on environmental compliance.

## SOCIAL

### Employee Management

#### Employee Hiring and Benefits

##### Employee data

Disclosure	Quantity	Units
Total number of employees <sup>4</sup>		
a. Number of female employees	86	#
b. Number of male employees	226	#
Attrition rate <sup>5</sup>	-15%	rate
Ratio of lowest paid employee against minimum wage	-	ratio

<sup>4</sup> Employees are individuals who are in an employment relationship with the organization, according to national law or its application ([GRI Standards 2016 Glossary](#))

<sup>5</sup> Attrition rate = (no. of new hires – no. of turnover)/(average of total no. of employees of previous year and total no. of employees of current year)

Employee benefits

List of Benefits	Y/N	% of female employees who availed for the year	% of male employees who availed for the year
SSS	Y	7%	9%
PhilHealth	Y	-	-
Pag-ibig	Y	3%	9%
Parental leaves	Y	2%	-
Vacation leaves	Y	100%	100%
Sick leaves	Y	100%	100%
Medical benefits (aside from PhilHealth))	Y	23%	17%
Housing assistance (aside from Pag-ibig)	N	-	-
Retirement fund (aside from SSS)	Y	-	-
Further education support	N	-	-
Company stock options	N	-	-
Telecommuting	N	-	-
Flexible-working Hours	N	-	-
(Others)		-	-

<b>What is the impact and where does it occur? What is the organization's involvement in the impact?</b>	<b>Management Approach</b>
Employee benefits directly impact and occur in the Company's primary business operations.  The Company is directly involved in providing the legally prescribed employee benefits.	The Management ensures compliance with the requisite labor standards as prescribed by applicable laws, rules and regulations.
<b>What are the Risk/s Identified?</b>	<b>Management Approach</b>
Diminution of employee benefits	The Management ensures that its employees receive the labor standard benefits mandated by law.
<b>What are the Opportunity/ies Identified?</b>	<b>Management Approach</b>
Industrial peace	The Company advocates industrial peace by ensuring that the prescribed labor standards are complied with.

## Employee Training and Development

<b>Disclosure</b>	<b>Quantity</b>	<b>Units</b>
Total training hours provided to employees		
a. Female employees	-	hours
b. Male employees	-	hours
Average training hours provided to employees		
a. Female employees	-	hours/employee
b. Male employees	-	hours/employee

<b>What is the impact and where does it occur? What is the organization's involvement in the impact?</b>	<b>Management Approach</b>
Employee training and development directly impacts and occurs in the Company's primary business operations.  The Company is directly involved in the training and development of its employees.	The Management regularly sponsors and provides training and development courses and seminars to its employees.
<b>What are the Risk/s Identified?</b>	<b>Management Approach</b>
Decreased workforce efficiency	The Management ensures that its employees participate in regular training and development courses and seminars.
<b>What are the Opportunity/ies Identified?</b>	<b>Management Approach</b>
Enhanced workforce productivity	The Management recognizes and advocates the importance of employee training and development to enhance its workforce productivity.

## Labor-Management Relations

<b>Disclosure</b>	<b>Quantity</b>	<b>Units</b>
% of employees covered with Collective Bargaining Agreements	41	%
Number of consultations conducted with employees concerning employee-related policies	0	#

<b>What is the impact and where does it occur? What is the organization's involvement in the impact?</b>	<b>Management Approach</b>
Labor-management relations directly impact and occur in the Company's primary business operations. The Company is directly involved in its labor-management relations.	The Management adheres to the applicable laws, rules and regulations on labor-management relations.
<b>What are the Risk/s Identified?</b>	<b>Management Approach</b>
Labor disputes	The Management complies with pertinent labor laws, rules and regulations to ensure that labor disputes are prevented or effectively managed.
<b>What are the Opportunity/ies Identified?</b>	<b>Management Approach</b>
Industrial peace	The Management follows the provisions of labor laws, rules and regulations on labor-management relations to ensure that industrial peace is attained and maintained.

#### Diversity and Equal Opportunity

<b>Disclosure</b>	<b>Quantity</b>	<b>Units</b>
% of female workers in the workforce	28	%
% of male workers in the workforce	72	%
Number of employees from indigenous communities and/or vulnerable sector*	0	#

*\*Vulnerable sector includes, elderly, persons with disabilities, vulnerable women, refugees, migrants, internally displaced persons, people living with HIV and other diseases, solo parents, and the poor or the base of the pyramid (BOP; Class D and E).*

<b>What is the impact and where does it occur? What is the organization's involvement in the impact?</b>	<b>Management Approach</b>
Diversity and equal opportunity directly impact and occur in the Company's primary business operations. The Company accords equal rights and opportunities to both its male and female employees.	The Management recognizes the importance of diversity and equal opportunity in its workforce. It maintains a diversified workforce that enjoys equal rights and opportunities for advancement and growth.
<b>What are the Risk/s Identified?</b>	<b>Management Approach</b>
Work discrimination	The Management does not discriminate against

	its female or male employees. Equal access to opportunities for advancement and growth are afforded to all employees regardless of gender.
<b>What are the Opportunity/ies Identified?</b>	<b>Management Approach</b>
Enhanced workforce	The Management advocates diversity and equal opportunity among its employees as a means to improve work productivity and efficiency.

Workplace Conditions, Labor Standards, and Human Rights  
Occupational Health and Safety

<b>Disclosure</b>	<b>Quantity</b>	<b>Units</b>
Safe Man-Hours		Man-hours
No. of work-related injuries	0	#
No. of work-related fatalities	0	#
No. of work related ill-health	0	#
No. of safety drills	0	#

<b>What is the impact and where does it occur? What is the organization's involvement in the impact?</b>	<b>Management Approach</b>
Workplace conditions, labor standards, human rights, and occupational health and safety directly impact and occur in the Company's primary business operations.  The Company observes the legally prescribed requirements regarding workplace conditions, labor standards, human rights, and occupational health and safety.	The Management adheres to the provisions of labor laws, rules and regulations anent workplace conditions, labor standards, human rights, and occupational health and safety.
<b>What are the Risk/s Identified?</b>	<b>Management Approach</b>
Labor disputes	The Management complies with pertinent labor laws, rules and regulations concerning workplace conditions, labor standards, human rights, and occupational health and safety to ensure that labor disputes are prevented or effectively managed.
<b>What are the Opportunity/ies Identified?</b>	<b>Management Approach</b>
Industrial peace	The Management follows the provisions of labor laws, rules and regulations on workplace

	conditions, labor standards, human rights, and occupational health and safety to ensure that industrial peace is attained and maintained.
--	---

Labor Laws and Human Rights

Disclosure	Quantity	Units
No. of legal actions or employee grievances involving forced or child labor	0	#

Do you have policies that explicitly disallows violations of labor laws and human rights (e.g. harassment, bullying) in the workplace?

Topic	Y/N	If Yes, cite reference in the company policy
Forced labor	Y	The Company does not allow or use forced labor. All employees voluntarily render service and are entitled to their legally prescribed wages and benefits.
Child labor	Y	The Company does not allow or use child labor. It only hires employees, who are of legal age and with the requisite qualifications.
Human Rights	y	The Company does not allow violations of human rights. The rights and duties of its employees are governed by the Company's rules and regulations.
